Let's Learn English

*Look at the list of skills below. Match the pictures with the correct names of the skills. Then mark which skills you **can** and **can't** do.*

VOA Learning English

	can	can't	
	X		act
			use a camera
			write

	can	can't	
			fix things
			code
			solve math problems

	can	can't	
			make a plan
			work with people
			present an idea

Now ask two friends about the things they can and can't do. Make a list of the skills they have. If they have skills that are not shown above, add them to the list. Then talk with your two friends about cooperating to do something together using your skills.

Answers for above
