**It's two minutes to air time.**

**The guest is running five minutes late.**

Experience the excitement of live television and radio and get a rare glimpse into U.S. international broadcasting. Every day the Voice of America reaches millions of people around the world, providing accurate and objective international news and information on radio, television, and the Internet. We also report about the United States—who Americans are and what we believe in—and we do it in 43 languages.

**Tours are Monday through Friday at 12 P.M. and 3 P.M.**

**Our guided audio-visual tours last 45 minutes.**

**Please arrive ten minutes before scheduled tour time.**
