

VOA Broadcasting in Indonesian

VOA Indonesian provides a wide variety of news and information programs to the country with the world's largest Muslim population, the world's third largest democracy and the world's fourth largest population overall. Research shows VOA Indonesian reaches more than 47 million people weekly, who say that due to VOA's balanced and objective reporting, they have a better understanding of America. The service reaches its audience via TV, radio and digital platforms including websites and social media. Over the years, VOA Indonesian has built an extensive TV and radio affiliate network to reach the widest possible audience including that in remote areas.
