

VOA Learning English

VOA Learning English endeavors to engage English learners around the world through lessons and content that speak to the interest of individuals. The service reaches learners at their level of proficiency – from beginners to intermediate and advanced. Through partnerships with organizations around the world, Learning English provides English educators with content and curriculum to teach American English in targeted countries and regions. The service was launched in 1959 producing content using a limited vocabulary and simple writing style to reach English learners.
