

Look at the clues below. Write the ordinal form of the numbers in the crossword puzzle below. Put only one letter in each box. Some of the words will share letters.

Clues

Across	Down
2) five	1) four
3) six	2) one
5) nine	3) seven
6) two	4) ten
8) three	7) eight

Now look at the pictures of the people below. Write one sentence about each of the people. Write the sentences based on the order in which they do each of the three activities. Try to use the adverbs **always** or **never**. Read your sentences to your partner. Let them guess which person each sentence is about. Then listen to their sentences and try to guess which person they are describing in each of their sentences.

watch TV

exercise

go to work

1st
