Library in a Box Helps Students

Alexis Cullen is a Peace Corps volunteer in Vanuatu. Vanuatu is an island in the South Pacific. She works in the village of Naviso.

Some people in the village do not know about the internet. Without the internet, Cullen says, people may not know about news in other places.

Dr. Laura Hosman is a professor at a university in California. She wants to help people in Naviso and other villages to learn. She and some of her students are making a mobile library. They call it SolarSPELL.

The students choose interesting information from books and websites to put on cards. They put the cards into the SolarSPELL machine.

SolarSPELL uses power from the sun.

A phone or computer can connect to it without wires.

The Peace Corps has about 50 (fifty) SolarSPELL machines. The village of Naviso has one SolarSPELL. So far, about 200 (two hundred) people in Naviso use it. In the future, other islands and countries in the South Pacific may use SolarSPELL too.

Game – Who’s Your Neighbor?

Adapted from ResidentAssistant.com (http://www.residentassistant.com/ra/howre-ya-doin-just-fine-thanks/)

Play as a large group.

First, close your eyes and get into a circle shoulder to shoulder. Count off one by one and remember your numbers. With your eyes still closed, shake hands with the person on your right and ask each other:

- “How’re ya’ doin’?” (How are you doing?).
- The answer every time is “Just fine, thanks.”

Do this with your neighbor on the right three or four times. Listen carefully to each other’s voices.

Then, with your eyes still closed, move around the room with your arms held out in front until you are all in different places.

Then you need to find your original neighbor. But, the only thing you can say is

- “How’re ya doin’?”
- “Just fine, thanks.”

How many neighbors can find each other?

To end the game, open your eyes. Check your number with your neighbor. Are you next to each other again?
Play the Game – Leading the Way

Work in groups. Look at the board game on the next page. It can be a lot of fun, but you need to make the rules. Write your rules here, and then play the game.
