

Change all of the verbs on the left into their agent noun forms and match each with the correct steps in the sequences below. Write them into the sentences. Then change the verbs to the right into the correct form and use them to complete the sentences.

Verbs to change into agent nouns

pack
shop
build
bag
carry
buy
check
own
design

Verbs to use in example sentences

scan
order
buy
deliver
fill
make
choose
build
box

First, the buyer orders something.

Next the packer boxes the order.

Then the mail carrier delivers it.

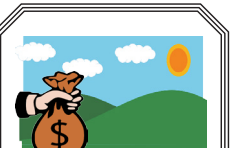

First, the _____
_____ their food.

Next the _____
_____ the prices.

Then the _____
_____ the bags.

First, the _____
_____ the land.

Next the _____
_____ the plans.

Then the _____
_____ the building.

Now with a partner, use the blank boxes to draw a new sequence. Together, write sentences to explain what happens in each step. Use any verbs and agent nouns you want!

First, the pitcher throws the ball.

Then the hitter hits it!

First, _____

Next _____

Then _____

Answers for above

Then the mail carrier delivers it.

Then the packer boxes the order.

First, the buyer orders something.

Then the bagger fills the bags.

Then the builder builds the building.

Then the checker scans the prices.

Then the designer makes the plans.
