Flynn Intel Group, Inc., Supplemental Statement

Attachment

Items 11-12

Note: In September 2016, the Flynn Intel Group filed a registration under the Lobbying Disclosure Act for its representation of Inovo BV ("Inovo"). Upon further review, and to eliminate any potential doubt, the Flynn Intel Group is electing to file a registration and supplemental statement under the Foreign Agents Registration Act in lieu of its prior LDA registration. Although the Flynn Intel Group was engaged by a private firm, Inovo BV, and not by a foreign government, because of the subject matter of the engagement, Flynn Intel Group's work for Inovo could be construed to have principally benefitted the Republic of Turkey. The Department's regulations provide that the LDA exemption from FARA registration is not available if a foreign government or political party is the principal beneficiary. *See* 28 C.F.R. § 5.307. This retroactive supplemental statement is being filed after the Flynn Intel Group closed its operations in November 2016, and the supplemental statement is therefore based on information that is currently available to Flynn Intel Group, to the best of its knowledge, after undertaking due diligence with the assistance of counsel.

In August 2016, Flynn Intel Group entered into a contract with Inovo, a consulting firm based in the Netherlands. The contract provided that Flynn Intel Group would perform research, engage a public relations firm and a filming and production crew to potentially distribute the results of its research, and hold weekly calls with the client to discuss progress on the project. Flynn Intel Group understood the engagement to be focused on improving U.S. business organizations' confidence regarding doing business in Turkey, particularly with respect to the stability of Turkey and its suitability as a venue for investment and commercial activity. Inovo has represented, through its counsel, that no part of the fees paid to Flynn Intel Group by Inovo was provided by any foreign government.

Under the contract, Flynn Intel Group conducted open-source research for Inovo and at Inovo's direction. The research, which was conducted by independent contractors retained for this purpose, focused on Mr. Fethullah Gülen and charter schools in the United States that are associated with, or allegedly associated with, Mr. Gülen. The results of Flynn Intel Group's research were provided to Inovo, and to S.G.R. LLC Government Relations and Lobbying, the public relations firm engaged by Flynn Intel Group. Flynn Intel Group and the public relations firm developed various materials and documents related to this research for potential dissemination. Because the project was terminated early, the full scope of the contract was not performed, and to the best of Flynn Intel Group's knowledge, none of the research materials prepared by the Flynn Intel Group were disseminated to third parties.

In early September 2016, Flynn Intel Group was invited by Mr. Alptekin to meet with a group of government officials from Turkey for the purpose of understanding better the political climate in Turkey at the time, as background for the project. Officials of the Republic of Turkey

attending this meeting on September 19, 2016, in New York, were the Minister of Foreign Affairs and the Minister of Energy, to the best of Flynn Intel Group's current understanding.

Mr. Rafiekian met with Miles Taylor, National Security Advisor to the House Committee on Homeland Security, on two occasions in approximately October 2016, at Mr. Taylor's office and at Flynn Intel Group's office. A representative of S.G.R. LLC Government Relations and Lobbying attended the meeting at Flynn Intel Group's office. Over the course of the discussions, Mr. Rafiekian raised the firm's representation of Inovo and issues related to the research conducted for Inovo concerning Mr. Gülen and Turkey. Flynn Intel Group also oversaw outreach, which was conducted by the public relations firm, to a state government official in Arkansas.

Pursuant to its contract with Inovo, Flynn Intel Group informally engaged a group of individuals (independent contractors) to form a film and production crew for the purposes of producing a video documentary based on its research associated with Mr. Gülen. The activities included a couple of videotaped interviews and other initial development of content. Because the contract was not extended, the full scope of anticipated work was not performed and, to the best of Flynn Intel Group's current knowledge, the video was neither finished nor disseminated to any third parties. S.G.R. LLC Government Relations and Lobbying created a Gulen-themed monopoly graphic at the direction of Flynn Intel Group. To the best of its knowledge, Flynn Intel Group did not disseminate this document or associated research (other than to Inovo).

In late October and early November 2016, Gen. Flynn of Flynn Intel Group developed an op-ed article based, in part, on the research conducted by Flynn Intel Group under the Inovo engagement. The op-ed was not written or published at the request of, or under the direction or control of, Inovo, the Republic of Turkey, or any other party. No compensation was received for the publication of the op-ed. In addition to Gen. Flynn, Bijan Rafiekian and an editor, Hank Cox, participated in the drafting. Inovo, Mr. Alptekin, and the Republic of Turkey did not participate in the drafting. Nonetheless, the op-ed addresses subject matter related to the research that Flynn Intel Group conducted for Inovo, and a draft of the op-ed was shared with Inovo in advance of publication. No changes, other than technical edits, were made to the op-ed based on feedback from Inovo. To the best of our knowledge, Inovo did not communicate with the Republic of Turkey regarding the op-ed or provide the draft op-ed to the government. S.G.R. LLC Government Relations and Lobbying assisted Flynn Intel Group with placement of the op-ed with *The Hill* publication.

Items 16-23

Pursuant to the contract between Flynn Intel Group and Inovo BV, the parties anticipated that Flynn Intel Group would engage a public relations firm, Sphere Consulting, and engage a film production crew for the creation of a video. The public relations firm (S.G.R. LLC Government Relations and Lobbying) was engaged but the video was not completed or disseminated, to the best of our understanding. The budget for these activities was reflected in the engagement contract with S.G.R. LLC Government Relations and Lobbying; no separate budget related to informational materials. Because this is a retroactive registration prepared after Flynn Intel Group had already begun to close operations, this registration is based on documentation currently available to Flynn Intel Group. If additional relevant information is later identified, Flynn Intel Group will amend its registration.
